

Nikunj Vaghasiya

+91 9510823703 nikujpatel23703@gmail.com Junagadh, Gujarat (362030)

Professional Summary

Dedicated and enthusiastic Computer Engineering student with proven experience in developing web applications, AI-driven tools, and cybersecurity solutions. Skilled in multiple programming languages, frameworks, and security protocols with a strong foundation in algorithms, software development, and networking. Experienced in building **end-to-end secure systems** and passionate about exploring **cybersecurity, AI, and full-stack development**.

Skills

Languages & Frameworks: C, C++, Java, Python, React, HTML, CSS, SQL

Cybersecurity Tools: Paramiko, Socket Programming, Honeypots, Networking Protocols

Technologies: OpenCV, NLP, Deep Learning, Git, REST APIs, Encryption (AES, RSA)

Core Competencies: Secure Software Development, Cybersecurity Research, Web Application Design, Data Structures & Algorithms

Projects

- **EduHub – Online Education Platform:** Designed and deployed a scalable learning management system with secure authentication, class creation, and student-teacher communication.
- **AI Desktop Assistant:** Built an AI-powered assistant in Python with voice recognition, NLP, and task automation such as web search and app control.
- **Secure End-to-End Messaging System:** Developed a chat app using Python & Socket.IO with end-to-end encryption for confidential communication.
- **Advanced Face Detection System:** Created a real-time facial recognition system using OpenCV and deep learning (Haar cascades + CNNs).
- **SSH Honeypot for Intrusion Detection:** Implemented a honeypot using Python (Paramiko + sockets) to detect malicious login attempts, capture brute-force attacks, and analyze intrusion patterns for cybersecurity research.

Education

B.Tech in Computer Engineering (Ongoing)

Charotar University of Science & Technology (CHARUSAT), Gujarat

Fareni Gurukul, Dhoraji

Percentile Rank: **92.86 PR**

Certifications

- HackerRank: Java, Python, SQL, Problem Solving
- Infosys Springboard: Java Programming Fundamentals
- Cisco: Networking Certificate
- Google: Cybersecurity Certificate
